## **"Let All Things Now Living"**

1 Let all things now living  
a song of thanksgiving  
to God the Creator triumphantly raise,  
who fashioned and made us,  
protected and stayed us,  
who guides us and leads to the end of our  
days.  
His banners are o'er us,  
his light goes before us,  
a pillar of fire shining forth in the night,  
till shadows have vanished  
and darkness is banished,  
as forward we travel from light into light.

2 His law he enforces;  
the stars in their courses  
and sun in its orbit obediently shine;  
the hills and the mountains,  
the rivers and fountains,  
the deeps of the ocean proclaim him di-  
vine.  
We too should be voicing  
our love and rejoicing;  
with glad adoration a song let us raise,  
till all things now living  
unite in thanksgiving:  
to God in the highest, hosanna and praise!
